RE: AMG Autobody, 208 Littleworth Road, Map 3 Lot 13

Dear Board Members,

I am responding to Madbury Site Plan Review Regulations, Section 11, Emergency Services. I have reviewed the proposed addition to the existing building currently occupied by AMG Auto Body with Gary Bissel and have confirmed that it does not impact current Fire Lanes or Emergency Site Access, which is adequate.

As always, please contact me with any questions or concerns.

Respectfully,

Tom Perley  
Fire Chief/EMD
