Dear Mr. Fiegenbaum;

On this date RCCD staff witnessed two test pits for a proposed subdivision which will create one new vacant lot. The designer representing the owner was Tobin Farwell.

The following features were observed:

Test Pit	Seasonal High Water Table	Total Depth	Bedrock	Pass/Fail
1	none	72"	no	pass
2	none	72"	no	pass

Test pits 1 and 2 meet town and state soil, slope, and wetland setback requirements for a wastewater disposal system.

A test pit field summary is attached.

Sincerely,

Michael Cuomo
