Hi Fritz,

Thanks for sending this [notice of decision]. Also, to conclude the condition for the approval, we have agreed to extend the fence between our property and the neighbor's property. This work will be completed in the spring. We have identified that we will extend the fence to cover the length of the addition near the rear of the property. This will not be a fence for the full property line, but the fence will extend back along the property boundary to parallel the expansion. We anticipate this to be 8 sections of additional fencing.

David, my husband, spoke to the abutters and this was the conclusion of the conversation.

Let me know if you need any additional information.

Thanks,  
Sarah
