Notice of Planning Board Decision

On October 1, 2014, at a properly noticed public hearing, the Madbury Planning Board conditionally APPROVED an application for a four (4) lot subdivision submitted by Kurt Schreiber for a property identified as Map 6 Lot 13 on Cherry Lane.

This approval is granted subject to the following conditions;

1. All new road frontage boundary markers shall be granite bounds and the plan will reflect this;
2. The plan will show a statement of compliance with the appropriate state surveying standard.

The Board must acknowledge that these conditions have been satisfied before the plot plan can be signed for recording at the Registry of Deeds.
