

Good Afternoon,

We have nearly formed a complete Mills Scenic Byway Advisory Committee but are missing members from Madbury. Wallace Dunham , a member of our Technical Advisory Committee has agreed to be a member but it would be great to have an alternate or have him as an alternate so you don't have to go to every meeting. We are not asking you to be a part of the Committee (but it would be great!) but if you know of anyone that would want to join the Committee to help promote the byway just shoot me an email.

Thank you!
