CHAPTER 676 ADMINISTRATIVE AND ENFORCEMENT PROCEDURES

Planning Board

Section 676:4

676:4 Board's Procedures on Plats. –

I. The procedures to be followed by the planning board when considering or acting upon a plat or application submitted to it for approval under this title shall be as set forth in the board's subdivision regulations, subject to the following requirements:

...

(d)(1) Notice to the applicant, holders of conservation, preservation, or agricultural preservation restrictions, abutters, and the public shall be given as follows: The planning board shall notify the abutters, the applicant, holders of conservation, preservation, or agricultural preservation restrictions, and every engineer, architect, land surveyor, or soil scientist whose professional seal appears on any plat submitted to the board by certified mail of the date upon which the application will be formally submitted to the board. Notice shall be mailed at least 10 days prior to submission. Notice to the general public shall also be given at the same time by **posting or publication** as required by the subdivision regulations. The notice shall include a general description of the proposal which is the subject of the application and shall identify the applicant and the location of the proposal. For any public hearing on the application, the same notice as required for notice of submission of the application shall be given. If notice of public hearing has been included in the notice of submission or any prior notice, additional notice of that hearing is not required nor shall additional notice be required of an adjourned session of a hearing with proper notice if the date, time, and place of the adjourned session was made known at the prior hearing. All costs of notice, whether mailed, posted, or published, shall be paid in advance by the applicant. Failure to pay such costs shall constitute valid grounds for the planning board to terminate further consideration and to disapprove the plat without a public hearing.
