Notice of Planning Board Decision

On November 4, 2015, at a properly noticed public hearing, the Madbury Planning Board **APPROVED** an amended application for a seven (7) lot subdivision submitted by Maple Heights Realty LLC for a property identified as Map 5 Lot 8 located between Hayes Road and Cherry Lane.

This approval of the amended application is approved without conditions.

However, the conditions of approval granted October 7, 2015, still apply:

1. Driveway locations are approved by the road agent;
2. Suitable easement language is provided to the town attorney for the shared driveway for lots M1 and M2;
3. Add note on plan to preserve stonewalls on the Hayes Road frontage;
4. Remove note from plan referencing the "old road";
5. No building permits will be issued until the merger of lot M7 with Map 5 Lot 2A is recorded.

The Board must acknowledge that these conditions have been satisfied before the plot plan can be signed for recording at the Registry of Deeds.
